

Steward of my Tribe

Lyrics and music by Kimberly Houlston

CHORUS

It is love, love, love
that makes the world a better place
So show you love love
in how you live your life today
With Jesus in your heart
Your kindness freely give
Because caring for others
is the best way you can live

VERSE 1

Start by showing that you care
for your family at home
Love your sister and your brother
Make sure that they know
They are loved by Jesus
They are children of the King
Being kind to those at your home
is where you should begin

VERSE 2

Who is my neighbour?
Jesus was asked one day
Then He told them a story
This is what He did say
Those who you meet
out on your street
All those around you too
Treat them with care and love them
Let Jesus shine through you

VERSE 3

Jesus loves everyone around the world
Each race, every tribe
We can show how we care
in how we live our lives
'Cause everyone deserves to know
that Jesus loves them too
And they can find His love for them
Through what we say and do

GRATEFUL
LIVING
for Kids!
