

Steward of my Things

lyrics and music by Kimberly Houliston

CHORUS

Share with one another in love
'Cause everything we have is a gift from above
That Jesus has entrusted to our care
We are a blessing to others when we share

VERSE 1

We can show Jesus love with people that we meet
By giving what we have, to those who are in need
So think about what you have and what you can really give
Because that is a better way to live

VERSE 2

So take care of what you have so that when you see a need
You can pass the blessing on so that others can receive
This is the example Jesus has left for us
Share what we have with others in love

ENDING

We are a blessing to others when we share
Share what Jesus has entrusted to our care

GRATEFUL
LIVING
for Kids!
