

Steward of my Testimony

Lyrics and music by Kimberly Houlston

VERSE 1

I have a story of what has happened in my life
My testimony—of how my wrongs have been made right
What Jesus Christ has done for me—what He can do for you
The best news I'm telling you the truth
(Repeat)

CHORUS

My testimony—my story—love to share this awesome news
How Jesus' love has changed my life—He'll do the same for you
I'll shout it from the rooftops and tell everyone I meet
The story of my Jesus' love for me

VERSE 2

So don't hold back and share your testimony too
'Cause it's your story of what Jesus has done for you
It will encourage others and your faith will grow
So share the truth so others can know
(Repeat)

ENDING

I'll shout it from the rooftops and tell everyone I meet
The story of my Jesus' love for me
The story of my Jesus' love for me
My testimony
