Ten Percent

"Ten percent of everything you harvest is holy and belongs to me, whether it grows in your fields or on your fruit trees." Leviticus 27:30

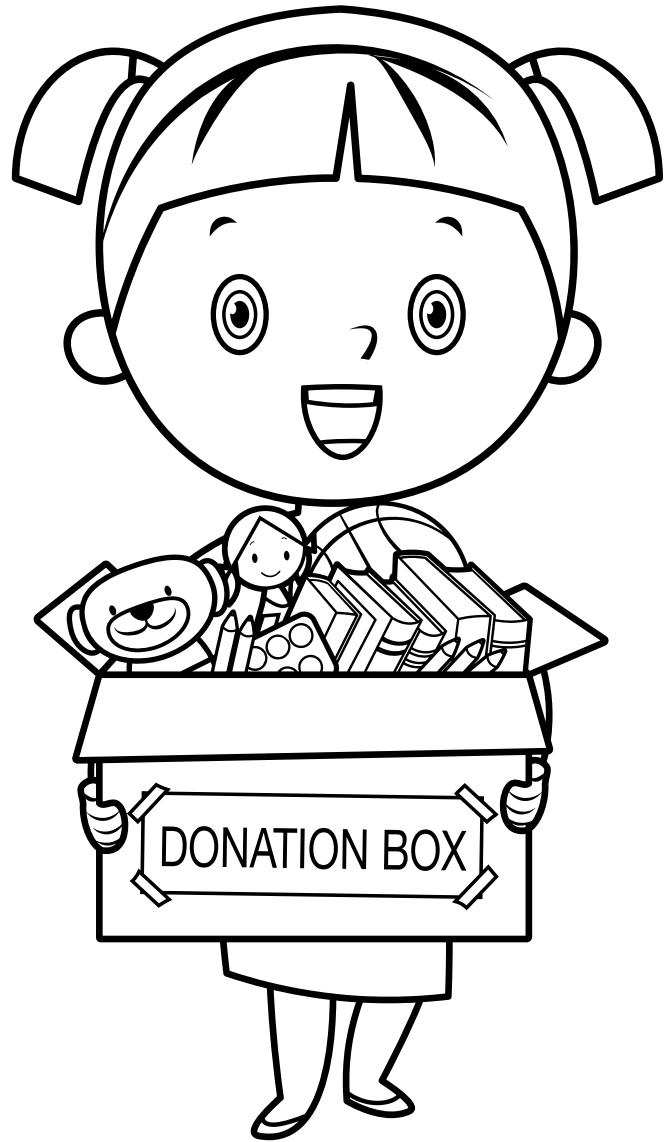

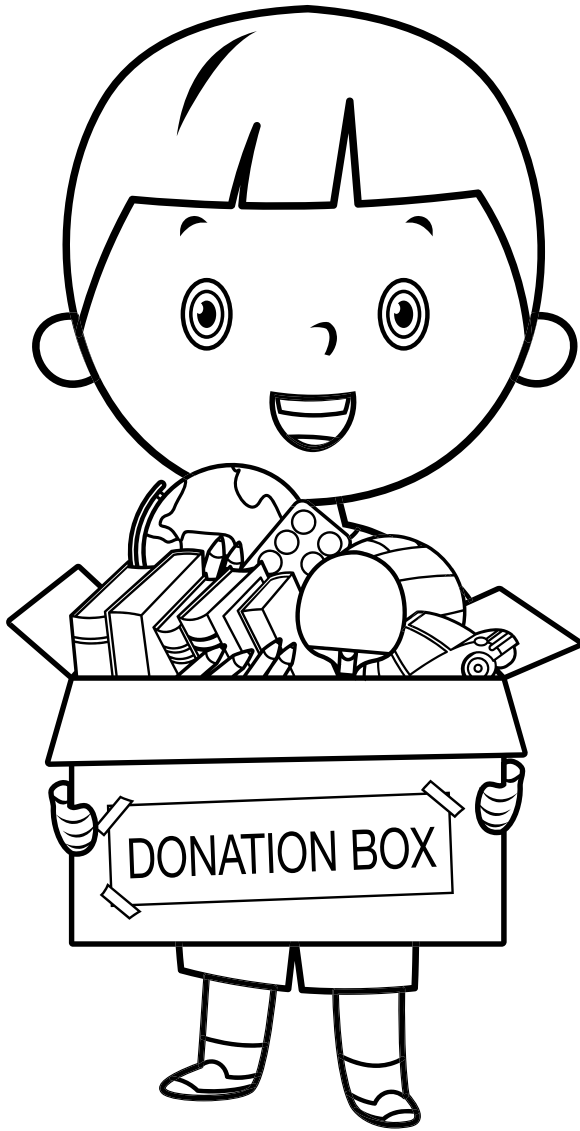

God asks us to pay tithe. That means giving one-tenth of the money we get. You can use this page to practice. Count the coins. For every 10 that you count, colour in one. The coloured coins are what you would give as a tithe.

Ready for something a little more difficult? Add up the money below, then colour the coins you would give as a tithe. Remember, for every 10, you give one.

“It is more blessed to give than to receive.” Acts 20:35
