The Seven R's

God has created a beautiful world for us to live in. But we must all do our part to look after the earth.

There are seven R's which tell you how you can be an awesome steward of your territory. In each of the spaces provide, write down which of the seven R's you can put into practice this week.

Reduce _____

Reuse _____

Repair _____

Regift _____

Recover _____

Recycle _____

Refuse _____

Challenge for Home:

Can you look after something growing in your own territory or home?

Together with your family, plant a little garden. It can be flowers or even vegetables. As you watch your garden grow, think about the beauty of each plant and how awesome God is because He is the Creator of all things. Praise the Lord!
