The Seven R's

God has created a beautiful world for us to live in. But we must all do our part to look after the earth.

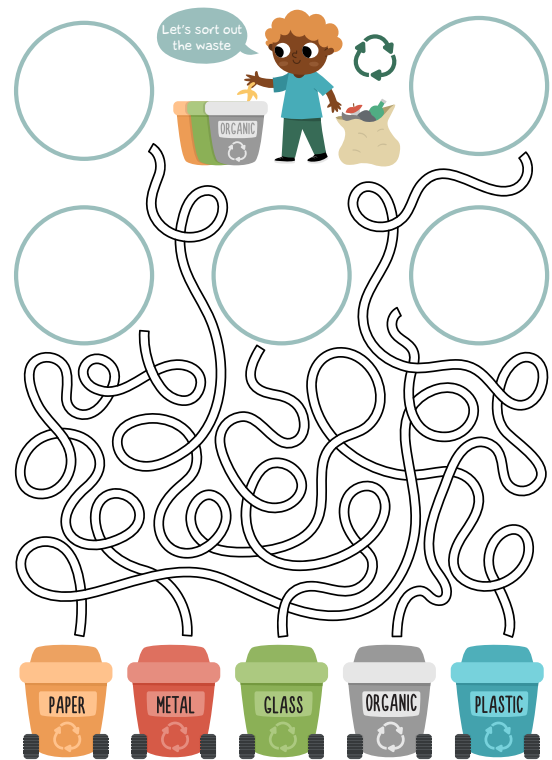

There are seven R's that we can do help to care for our planet. Fit these 7 R's into the crossword puzzle below: **REDUCE, REUSE, REPAIR, REGIFT, RECOVER, RECYCLE & REFUSE.**

Across:
 1. Refuse
 2. Recover
 3. Reduce
 Down:
 1. Recycle
 3. Regift
 4. Reuse
 5. Repair

Sort it Out!

Help Julian sort out the waste by drawing some items in the circles that need to go in each of the wheelie bins below, then colour in the squiggly passage to their correct bin.

Ideas: Apple core, Banana skin, Cardboard box, Empty tin, Glass jar, Paper cup, Plastic bag, Tin foil, Water bottle, Yoghurt container

“God saw all that he had made, and it was very good.”
Genesis 1:31

Challenge for Home:

Can you look after something growing in your own territory or home?

Together with your family, plant a little garden. It can be flowers or even vegetables. As you watch your garden grow, think about the beauty of each plant and how awesome God is because He is the Creator of all things. Praise the Lord!
