NEXT SABBATH: ADRA's Disaster and Famine Relief Offering.

During the last 12 months, your support has helped ADRA respond to floods, cyclones, earthquakes, famine, conflict in Ukraine and the Middle East, and most recently, bushfires in Victoria. Having funds available means ADRA can provide immediate assistance to those who need it most when disaster strikes.

On 7 February, Adventist churches will be collecting funds for ADRA's Disaster and Famine Relief Offering. You can also give online at adra.org.au/respond to help ADRA be Always Ready and Always There in times of disaster. Thank you.
