Week Starting: 21 September 2026

What could your gift grow?

This October, the **ADRA Appeal 2026 - Give to Grow** invites us to consider what can grow from one act of generosity. From food and livelihoods to education, resilience and stronger communities, one opportunity can become something much greater.

Join us next Sabbath, 3 October, for the ADRA Appeal Special Offering and discover what your generosity can help grow.

Give to Grow – Offering Sabbath

Today is the Annual ADRA Appeal Offering!

This October, ADRA is aiming to raise **\$88,000** to help continue its work alongside people and communities in Aotearoa New Zealand and around the world. Your generosity can help create opportunities for people to thrive and enable ADRA to respond where it's needed most.

Your Gift Can Grow Into More

Thank you to everyone who has already supported this year's **ADRA Appeal – Give to Grow**. Our Offering Sabbath may be over, but the Appeal continues throughout October as we work towards our **\$88,000 goal**. Every gift helps ADRA continue working where it's needed most, creating opportunities for people and communities to thrive.

There's still time to Give to Grow.

One Opportunity Can Grow

For Mana Merita in Timor-Leste, access to clean water close to home created opportunities that reached much further - helping her grow food, support her family and benefiting **175 students** at a local school. Her story is one example of what can become possible when barriers are removed and opportunities are within reach.

This October, your support of the ADRA Appeal helps ADRA continue its wider work in Aotearoa New Zealand and around the world.

Give to Grow today.

Final Weekend to Give to Grow

This is the final weekend of the 2026 ADRA Appeal.

Throughout October, churches and supporters across New Zealand have come together to Give to Grow, helping ADRA continue working where support is needed most.

If you haven't yet had the opportunity to give, there's still time to help us reach our **\$88,000 goal**.
