

MISSION to the CITIES

SPECIAL OFFERING
5 December 2026

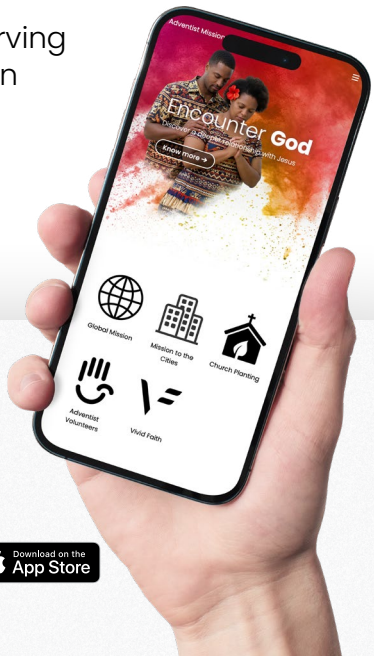

The largest and most challenging mission field in the South Pacific Division is found in our cities. Home to millions of people from diverse backgrounds, our major urban centres are increasingly secular and post-Christian, making them one of the greatest opportunities and challenges for mission today.

Our growing cities are filled with people searching for hope, purpose, belonging, and practical expressions of God's love. The work is challenging, but the opportunities are extraordinary.

Through your generosity, funds are already supporting projects across the South Pacific, where meaningful connections are being built with people through practical care and community engagement.

Please pray for our cities, for the volunteers and leaders serving in them, and that this offering will continue to strengthen mission where it is needed most. Thank you.
